Hi Joe,

Your assistance in resolution of this ongoing issue is greatly appreciated. It is understood that this is a work in progress; which I will relay to concerned 1600 VINE residents who are demanding action and/or threatening to move out due to excessive neighbor noise and disturbances. We, in turn, wish to remain good neighbors to all and will cooperate, and assist, in any way needed going forward.

We hope to have the Argyle camera installed within the next few weeks.

Have a wonderful weekend!

Hi Joe,

This was from the week earlier; but same routine AND even the same exact song!

I will send the other 2 to just the 3 of you (including Alex and Dan) and avoid overload to the group.

Thanks!
